1. The Department

a) About Department:

Shri Saraswati Vidyalaya Post Graduate College, Hapur. (affiliated to Chaudhary Charan Singh University, Meerut) was established by Shree Shiksha Prasar Samiti (Regd.) Hapur, It is a prestigious institution catering the educational needs of both rural and urban youth.

B.Ed. Department situated in the beautiful courtyard of nature under a self-financed scheme, came into existence by the Shiksha Prasar Samiti in the year 2008 by the efforts of Late Shri Satendra Aggarwal (Chawani Wale) and ever since then the department has been pacing fast to reach the greater heights of excellence in the field of teacher education. It is approved by NCTE, Jaipur and affiliated to Ch. Charan Singh University, Meerut (Affiliated by Uttar Pradesh Government letter no.-258/70-2-2008-2 (489)/2008 Dated 7 Feb.2008, and NCTE letter no.-F. No./ NRC/NCTE/F-3/UP-2572/142nd Meeting /2009/4997-5003 Dated 20.06.2009 with an annual intake of 100 seats from the academic session 2009-2010)

He believed that by setting up this course in the institution, students of all the sections of society would be able to undertake higher studies and be able to contribute to the Nation building process.

B.Ed. programme is a holistic one, aimed at developing the intellectual and personal strengths of pupil-teachers which takes place both within and outside the classroom, nurturing creativity and innovation through challenging project work and participative

learning. As each individual is unique and approaches life in a different manner, we allow them to choose their own pathways based on their interest.

b) Vision

Our vision is to emerge as a center of excellence in teacher education, by imbuing the youth with the synthesis of our cultured traditions and scientific thought.

Mission

Our mission is to prepare competent teachers who can creatively respond to the needs of the dynamic technology driven educational world with an ethic of care and critical reflection.

c) The Campus: B.Ed. Department

i). Campus Specifications:

ii). Infrastructural Availability

In campus, Multipurpose Room – (01), ICT Lab – (01), Language Lab – (01), Science Lab- (03), Class Rooms – (04), Psychology Lab – (01), Head Cum Staff Room – (01)(07 cabins), Store room – (01), Art and Craft Resource Centre – (01), Health and Physical Education Resource Centre –(01), Library –(01), Clerk Office – (01), Fire Instrument (02)

Multipurpose Room

The department has a multipurpose room which is used for various events such as meetings, instructional activities, co-curricular activities and social gatherings.

ICT Lab

ICT equips audio- visual teaching methods which boost learner's knowledge retention & interest levels. It helps students to think critically & creatively & to reflect on their own learning process. They even set their individual goals for growth & development of their potential. ICT improved learning efficiency, Reduce the burden on teachers, simplified information sharing, increased student motivation & improve IT literacy of students.

ICT tools for teaching & learning cover everything from digital infrastructures such as printers, computers, laptop, smart room, language lab etc. to software tools such as Google Meet, Google spreadsheets etc.

In our college we have a smart room language laboratory, OHP computer lab, projectors etc for the advancement of knowledge of students.

Language Lab

Modern language labs are known by many names digital language lab, foreign language lab, English language lab, multimedia language lab and language media center. But these various names usually refer to the same concept. S.S.V. College Hapur (B.Ed. Dept.) language lab transforms a passive language class into an active speaking based learning environment. This helps the B.Ed. faculty to save a substantial amount of time and manage their language classes more efficiently. S.S.V. college Hapur B.Ed. students can spend more time on speaking based language learning activities and actually using the target language.

Science Lab

Science laboratory Science laboratory is a well-equipped place where many equipments for imparting functional and practical knowledge to the students are arranged. In a science laboratory, we usually find working tables, some items of common utility and space for storing equipment, chemicals and glassware. In the laboratory, students verify various rules, principles and formulas of science, so that there is no confusion in their mind. In science laboratories, students acquire more practical knowledge, which remains in their mind for a long time. A science lab is a workplace for the conduct of scientific research. It helps students to remember the concepts better and to transfer the experience to real-life situations. It is a facility that provides controlled conditions in which scientific research, experiments and measurements may be performed.

Classrooms

Fully lighted and ventilated teaching rooms are available for interaction between students and teachers. The work in the classes is made practical, interactive and full of interest. Technology driven pedagogical approach, presentations, field based assignments and role play are integral parts of the experiences.

Psychology Lab

As per the guidelines of the N.C.T.E the institution has a well furnished and well organized psychology lab with all the standardized verbal, non-verbal and performance psychological tests for measuring the essential psychological aspects like intelligence, personality, aptitude, interest, creativity, achievement, and adjustment etc. Students are given practical sessions to familiarize themselves with various psychological tests and obtain practical skills in their administration, scoring and interpretation. This helps them to know about student psychology and plan instructional strategies accordingly to achieve the educational objectives.

Head cum Staff Room

Store room: Department has one store room for sectional files etc.
